Prescriptions
Eyeride Motorwear offers prescriptions in many of our popular styles. It only takes 3 steps:
1. Mail, fax, or e-mail us a copy of your original RX.
2. Tell us which style and color you would like
3. Submit payment for purchase total
We take it from there. Please include your phone number so we can call you to confirm your order. The average turnaround time is just under 14 working days.
Note: Please be sure your RX includes the PD (Pupillary Distance) measurement. This is often left off of written prescriptions, but can be acquired by calling your eyecare provider.
